Nicole: Unfortunately not. I fly out of Pittsburgh tomorrow for business meetings through the end of the week, returning to Pittsburgh Friday evening. The meetings which produce this conflict are not the type where I can step out for an hour. I believe we remain available to meet with you in Chicago on the 14<sup>th</sup> or 15<sup>th</sup> of September as previously noted. In that regard I have out of town meetings on the 13<sup>th</sup> and 15<sup>th</sup> which I am holding off until I hear from you as to your respective alternative availability. Please let us know.

Nicole: I attempted to respond to your meeting notice but received a system error so I am now responding to the following 8/21 e-mail. Since the 17<sup>th</sup> of August I have been working at a client facility in a remote American territory. Upon arriving back this week I have been trying to resolve a scheduling conflict for September 7<sup>th</sup> or 8<sup>th</sup>. Unfortunately this morning I learned that I am not able to resolve that scheduling conflict and thus am unavailable to come to Chicago to meet on either the 7<sup>th</sup> or 8<sup>th</sup> of September. The S.H. Bell team does remain available for alternative meeting dates of September 14<sup>th</sup> or 15<sup>th</sup>. Please let us know Region 5's alternative availability in this regard, to meet and discuss the Notice of Violation. Thank you.

Hi Nicole –

In response to my last email, I got your out-of-office saying that you would be out to 9/5 and wouldn't be able to check email.

Just bringing everyone else from your team in the loop on my email below as Scott Dismukes is

out as well with no access to email and may have a potential conflict on 9/7.

- Jessica

Hi Nicole –

I saw that you sent out a proposed date and time for the meeting on the S.H Bell NOV. As you may have gathered, Scott Dismukes is out of the office. He is currently working in a remote location in American Samoa with no access to cell or email due to the lack of coverage there. He will be back in the office on 8/28.

Can you suggest some additional dates EPA would be available for the meeting? Scott may have a potential conflict on 9/7, but we would not know for sure until he is back.

Thank you,

Jessica
